

# SD No. 73 Career Development Month

The District Career Development Department is sponsoring a Career Education challenge. This year, the Canadian Career month theme is to AMPLIFY\*

“Amplify” a career education theme with your class and submit a class composition to [tnt@sd73.bc.ca](mailto:tnt@sd73.bc.ca) to win a class prize.

## Career Education Themes

### Self-Awareness

Connect AMPLIFY to personal attributes, skills, interests, and values. Create collective art and combine these statements into a class display.

For example:

*AMPLIFY* your core competencies  
*AMPLIFY* an intellectual, wellness, or career goal

### Connect to Community

Explore how Community members make things possible. Select a mentor or hero and AMPLIFY their community contributions.

For example:

*AMPLIFY* how people volunteer  
*AMPLIFY* the meaningful work of others

### Explore Possibilities

Explore possible careers and inventions

For example:

*AMPLIFY* new inventions and careers that are changing the world  
*AMPLIFY* careers that connect to Sustainable Development Goals

- All entries will receive a class prize
- Entries are by class and should be emailed to [tnt@sd73.bc.ca](mailto:tnt@sd73.bc.ca)
- Documentation of class projects should be received by Friday, December 2<sup>nd</sup> to be counted for Career Development Month

\* See the *AMPLIFY* Info Graphic at [careermonth.ca](http://careermonth.ca)
